

AccessAbility

LISTEN LEARN INSPIRE

Older people living well

If you are over 65 and have an age-related disability, we can organise support services to help you live well.

How does it work?

1. Your District Health Board will refer you to AccessAbility.
2. We will contact you.
3. We will work with you to find and organise supports that suit you.

Support ideas may include:

- informal support from whānau and friends
- local networks
- community and aged-care organisations
- home support
- rest home care
- other government-funded supports.
